A REAL ESTATE TALK. DO YOU KNOW how many books have been written on Mother Earth?

DO YOU KNW that all wealth and luxury are the children of mother earth?
This is the thing men fight for, live for, die for. They fight under many banners. They live under many creeds. They die under many

BUT ITS ALL FOR MOTHER EARTH. Ownership is the thing men are fighting for -just to own a bit of this old earth. All th comes from property. PEOPLE HAVE LEARNED their lesson. They have learned

People have also learned one thing more. They have learned that the value of any particular part of this old earth depends upo number of the people ho are living there. That's why shrewd investors always buy where people are, or where people are gong to be
